Energy Performance Certificates

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO₂) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.

IMPORTANT INFORMATION

For clarification, we wish to inform the prospective tenant that we have prepared these details as a general guide. The agent has not carried out a detailed survey nor tested the services, appliances, or specific fittings (unless otherwise stated), and no warranty can be given as to their condition. All room measurements are taken at floor level. We strongly recommend that all the information which we provide about the property is verified by yourself and your advisers.
