Situation

Offering generous accommodation arranged over two floors, this one-bedroom duplex flat to rent on North Road, Cardiff combines a distinctive layout with a convenient location for university facilities, local amenities and the city centre.

The separate lounge/dining room provides space to relax, entertain and enjoy meals at home. Neutral décor and laminate flooring create a simple, welcoming interior, while the internal staircase connects the two levels and adds to the property's individual character.

The separate fitted kitchen features wood-effect cupboards, contrasting dark worktops and tiled splashbacks, with an oven, electric hob, extractor, fridge/freezer and washing machine.

The generously sized double bedroom offers space for a double bed and additional furniture. The tiled bathroom includes a bath with shower over and glass screen, a wash basin and WC.

A particular feature is the additional upper-level space, where roof windows bring in natural light and sloping ceilings add character. This area provides flexibility for a desk, study space or dressing furniture.

North Road is conveniently positioned for Cardiff University's Cathays Park campus and the University Hospital of Wales at Heath Park. Local shops and everyday amenities are close by, while nearby Maindy Centre offers swimming and fitness facilities. Bus services along North Road provide straightforward connections into Cardiff city centre.
