Energy Performance Certificates

This home's performance is rated in
terms of the energy use per square
metre of floor area, energy efficiency
based on fuel costs and
environmental impact based on
carbon dioxide (CO2) emissions.

The energy efficiency rating is a
measure of the overall efficiency of a
home. The higher the rating the more
energy efficient the home is and the
lower the fuel bills will be.

The environmental impact rating is a
measure of a home's impact on the
environment in terms of carbon
dioxide (CO2) emissions. The higher
the rating the less impact it has on
the environment.
