## Situation

This 7th floor apartment located in this brand new development on the edge of the city centre comes fully furnished. Accommodation includes open plan living with sofa, arm chair, table and chairs and fitted kitchen with built in oven & hob and fridge/freezer. One double bedroom with bed, wardrobe, drawers and bedside table and separate three piece bathroom in white comprising hand wash basin, WC and panel bath with shower over and screen. Double glazed and electric heating throughout. Located in the heart of the city's newest neighbourhood, The Exchange offers 200 new stylish homes, providing elevated modern living to its residents. The Exchange distinguishes itself from other developments by providing residents with a relaxing community space through a resident lounge and roof garden. Residents can access various facilities, such as a gym, secure bike storage and a concierge. With the city of Preston transforming, it is experiencing its fastest growth through regeneration, cultural expansion, educational advancement, and improved connectivity. Located in the heart of Preston, The Exchange is in the middle of the city's largest regeneration project. The Exchange is located within walking distance of central shopping areas and transport links. It sits within the Stoneygate regeneration masterplan, which promises to create a new 'urban village' in Preston. This will further enhance the city's appeal as a desirable destination for people to live, work, and play.

## Energy Performance Certificates

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO2) emissions.

| Energy Efficiency Rating                    |                         |           |
|---------------------------------------------|-------------------------|-----------|
|                                             | Current                 | Potential |
| Very energy efficient - lower running costs |                         |           |
| (92-100) A                                  |                         |           |
| (81-91) B                                   |                         |           |
| (69-80) C                                   |                         |           |
| (55-68) D                                   |                         |           |
| (39-54) E                                   |                         |           |
| (21-38) F                                   |                         |           |
| (1-20) G                                    |                         |           |
| Not energy efficient - higher running costs |                         |           |
| England & Wales                             | EU Directive 2002/91/EC |           |

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

| Environmental Impact (CO <sub>2</sub> ) Rating                  |         |           |
|-----------------------------------------------------------------|---------|-----------|
|                                                                 | Current | Potential |
| Very environmentally friendly - lower CO <sub>2</sub> emissions |         |           |
| (92-100) A                                                      |         |           |
| (81-91) B                                                       |         |           |
| (69-80) C                                                       |         |           |
| (55-68) D                                                       |         |           |
| (39-54) E                                                       |         |           |
| (21-38) F                                                       |         |           |
| (1-20) G                                                        |         |           |

Creation Date: 23/07/2026

## IMPORTANT INFORMATION

For clarification, we wish to inform the prospective tenant that we have prepared these details as a general guide. The agent has not carried out a detailed survey nor tested the services, appliances, or specific fittings (unless otherwise stated), and no warranty can be given as to their condition. All room measurements are taken at floor level. We strongly recommend that all the information which we provide about the property is verified by yourself and your advisers.
