Situation

HG Premier Lettings are delighted to bring to the market this modern one-bedroom unfurnished apartment within The Exchange, one of Preston City Centre's popular residential developments. Offered on an unfurnished basis, the apartment provides a great opportunity for a tenant to make the space their own while enjoying modern city-centre living. The property comprises a bright and spacious open-plan living area with a contemporary fitted kitchen, providing plenty of space for both living and dining. There is a well-proportioned double bedroom along with a modern fitted bathroom. One of the major benefits of living at The Exchange is the range of communal facilities available exclusively to residents. These include an on-site residents' gym, stylish residents' lounge and rooftop terrace, providing additional spaces to relax, work and socialise outside of the apartment. The development is ideally positioned in Preston City Centre, putting shops, restaurants, bars and everyday amenities within easy reach. Preston Railway Station and the city's main transport links are also conveniently accessible, making the apartment particularly well suited to professionals working either locally or commuting further afield. Key Features: One-bedroom apartment Unfurnished Modern open-plan living and kitchen area Double bedroom Contemporary bathroom Preston City Centre location Residents' gym Residents' lounge Rooftop terrace Excellent access to local amenities and transport links Properties within The Exchange continue to attract strong interest, so early viewing is recommended. Energy Performance Certificates

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO₂) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment. The lower the rating the less impact the home has on the environment. Creation Date: 02/10/2026
