Situation

A stunning, fully furnished, spacious and contemporary one bedroom apartment with allocated parking & electric vehicle charging. Boroughmuir is an iconic building in the stylish and well connect Bruntsfield district of Edinburgh which has been modernised whilst retaining original historic features. The stunning accommodation comprises: open plan kitchen, dining area and living room with an abundance of space and natural light from the vast windows. The kitchen is fully equipped and includes a dishwasher. Also on this level is, a bathroom with shower over bath tub, heated mirror and under floor heating. A separate utility room as well as storage. An intricate mezzanine level where the bedroom sits, with fitted wardrobes and en-suite shower room. The property is designed to offer the ultimate in modern living yet with an abundance of restored originality. The property further benefits from gas central heating, double glazed windows, good storage, bike shed and private allocated parking. An open inner courtyard provides a valuable recreational area for residents too. Standing proud in the affluent and central neighbourhood of Bruntsfield, Boroughmuir has popular bars, restaurants, convenience stores, artisan shops, boutiques, coffee houses and leisure facilities on its doorstep. In walking distance of Edinburgh Castle and many other attractions, as well as being well connected to Edinburgh's highly regarded public transport system, you can have it all and do it your way at Boroughmuir. For those seeking a more active outdoor pursuit, both Union Canal and the vast greenery of The Meadows are just minutes

Energy Performance Certificates

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO2) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO2) emissions. The higher the rating the less impact it has on the environment.
