Situation

The property has a private entrance leading up to the first floor where the bright and good sized studio apartment sits. The accommodation comprises: entrance hallway, a fully fitted kitchen with dining area. A lovely shower room and the open plan living room and bedroom area to the rear. The property further benefits from gas central heating and storage. Newington lies roughly two miles south of the city centre, and provides a number of local amenities for everyday needs, offering a variety of specialist shops and a vibrant atmosphere of bars, restaurants, and cafes. A convenient location for Edinburgh University, The Royal Infirmary and the Scottish Parliament, there are also many leisure opportunities and open green spaces including Holyrood Park and Arthur's Seat, Blackford Hill and The Meadows, as well as the Royal Commonwealth Pool, formerly a venue for the Commonwealth Games. A regular public transport service provides easy access to and from the city centre.

Energy Performance Certificates

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO₂) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.
