Situation

The beautifully presented accommodation comprises; living room with alcove offering an ideal space for a study, stylish open plan kitchen with breakfast bar. Double bedroom with built in wardrobe, modern shower and separate WC. This superb property further benefits from a well maintained communal garden to the rear and offers a lovely home in a sought after location. Buchanan Street is situated between Leith Walk and Easter Road. Leith is the port of Edinburgh situated around 2 miles from Edinburgh city centre and is a vibrant and diverse place to live. It offers a wonderful array of restaurants, cafes and bars, many of which are to be found at the nearby cosmopolitan Shore. With its unique blend of old and new architecture, Leith has become a popular area with young professionals, yet it retains a distinctive character separate from the rest of the city. The city centre is a short distance away where there are fantastic amenities. Ocean terminal shopping centre, a large flagship development which houses over 70 national and boutique retailers, multi-screen cinema, restaurants and leisure facilities is also a few minutes' walk away, as is The Royal Yacht Britannia, one of the city's leading tourist attractions. Leisure activities can be found locally at Leith Victoria Leisure Centre and David Lloyd Fitness Club. The Water of Leith cycle path is close by linking to a network of routes throughout the city. Leith Links and Pilrig Park are nearby for a relaxing stroll. The area is well served with schooling for all ages. There are frequent bus services to the city centre. The A1 south and Edinburgh city bypass are easily reached by car, as is Property Ref: inst-10371

Energy Performance Certificates

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO2) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO2) emissions. The higher the rating the less impact it has on the environment.
