Situation

Superb Location / Great 2 Double Bedroom Flat (D) To Let Victoria Square Jesmond Newcastle Upon Tyne
Location - Location - Location ... It's a cliché but that's because its true and here is a good example: Perched on the very edge of Newcastle's Universities, Student Village area, the City center, Exhibition Park and a few minutes walk from beautiful Jesmond, ... this is simply a no brainer.

Best Bits:

So close to everything, no need for a car or any mode of transport really.
Great value for money rent here as this is a great flat with 2 double bedrooms and very nice fixtures and fittings.
New modern kitchen with all usual white goods etc.
Lovely big light living room with hard floors, quality designer furniture and light .. so lovely and light.
1 Master very big bedroom and another still a good size double bedroom both with double beds etc and quiet for the city really.
Tiled bathroom with shower and bath.
2nd floor flat so high enough to benefit from views and light but also quiet considering how close you are to city life.
Permit parking bays opposite the building
The image of the bathroom is actually the bathroom in the flat downstairs but the bathroom in this flat is the same but slightly smaller.

To Sum Up Then:

Great Apartment
Great location,
Great quality,
Great value for money

As we say, a no brainer at this rent for this level of quality and location.
