Situation

Coming in January, we have this four bedroom detached house, set in a popular location.

As you enter the property, there is a large entrance hallway with cloakroom, a large open plan living room leading onto a good sized dining area with hard flooring. There is access to the rear gardens from the lounge.

There is a good size fitted kitchen with built in cooker, room for dishwasher, washing machine and room for a tall fridge/freezer.

Upstairs you have three good sized double bedrooms and a good sized single bedroom all with built in wardrobes and a white suite bathroom with shower over bath.

Outside there are gardens to rear and front, a double garage and off road parking.

The property also benefits from gas central heating and double glazing throughout.

Train Station is about 15 minutes walk away, along with the town centre. It's easy access to the M5 and about 35 minute drive to Hinkley Point.

No smokers or sharers.

Minimum affordability £45k
