Situation

Available in early October is this very well presented 3 bedroom property on the eastern side of Yeovil.

Downstairs you have a very good sized lounge, conservatory and a modern kitchen with space for washing machine/dishwasher and tall fridge/freezer.

Upstairs there are 3 bedrooms and a brand new bathroom. To the rear of the property is a low maintenance patio garden with a raised decorative stone area plus a pergola and an outside storage area with washing machine/tumble dryer connection. There is also side gate access to the property.

The added bonus on this property is the solar panels on the roof, meaning low electricity bills on the property.

There is plenty of on street parking with the property in close proximity to a local primary school, local convenience store, all within walking distance along with a 25 minute walk to the hospital and town centre.
