For more properties visit our website Snugpads.com What next? Call or email us to arrange a viewing at your earliest convenience. Like the look of the place? Request an application from our website Snugpads.com How to calculate the monthly student rent? If your weekly rent is £90 per week per student tenant multiply this by 52 (weeks in the year), and divide it by 12 (months in the year). Hence  $£90 \times 52 = 4,680$  / 12 = £390.00 per calendar month. ## Energy Performance Certificates

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO2) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO2) emissions. The higher the rating the less impact it has on the environment.
