Situation

This property is situated within a Catholic church, with single rooms for Catholic students available now. The property features five single bedrooms, two of which are ensuite, communal areas such as a lounge/diner, kitchen, two bathrooms, a separate WC and an enclosed courtyard. At the Chaplaincy, we are only accepting Catholic students who are interested in connecting with the community whilst completing their studies, who may find the Chaplaincy to be a source of support on their faith journey. There are five bedrooms within the house, one of which is ensuite, and they come fully furnished with all bills included and can be viewed anytime from now. Please note that due to the property being an active place of worship, all applicants are required to undertake an interview with a representative of the church prior to being accepted. All enquiries are online only and will be responded to within 1-3 working days.

All measurements are approximate.
