Situation

The Living Room are pleased to present this fantastic 8-bedroom HMO property. Newly converted, this house really ticks all the boxes if you're looking for a spacious room in a modern, beautifully styled home, in an up and coming area of Cardiff. The house features 6 large ensuite double bedrooms (3 to the ground floor and 3 to the first floor). Additionally, the property has 2 standard double bedrooms in the newly converted attic. These bedrooms share a key-coded bathroom on the first floor ensuring exclusivity of the 'communal' bathroom. The room comes furnished; you get a bed, bedside table, chest of drawers, and a wardrobe. There is plenty of storage in this house! The rest of the communal space is grand. The open-plan lounge/kitchen features a bountiful supply of cupboard storage, plenty of cooking facilities for 8 people, a breakfast bar, wall-mounted TV and sofa seating for those cosy movie nights in. To the first floor is a utility room featuring a washing machine and tumble dryer for the tenants to use. The property has gas central heating newly installed throughout ensuring a warm property for all when the temperature drops outside. Splott itself is an up-and-coming area of Cardiff with more and more young professionals and couples moving to the area. With plenty of local shops within walking distance, supermarkets just a short drive away, and generally good bus and transport links, Splott has everything you need as a young professional - including being close to town! Energy Performance Certificates

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO2) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO2) emissions. The higher the rating the less impact it has on the environment.
