Situation

Welcome to this beautifully refurbished 6-bedroom professional house share, ideal for those looking for a stylish, comfortable home within walking distance of the city. The house offers a relaxed and respectful living environment, perfect for working professionals who want a central location with plenty of space. The house is currently tenanted by 4 female professionals with two spare rooms, they are all working full time aged between 25 and 35 and we are looking for someone to blend into this friendly environment! LOCATION Perfectly positioned just a short walk from the city centre, this property is especially convenient for anyone working at Cardiff Royal Infirmary, while still being ideally located for professionals based in town. With shops, cafés, transport links and amenities all nearby, you'll have everything you need right on your doorstep. ROOM the available room is bright modern and spacious and comes with a double bed, wardrobe, bedside table and chest of drawers. A bright airy space designed for both comfort and practicality. HOUSE The property comprises six fully furnished bedrooms in total. On the ground floor, you'll find two bedrooms along with a spacious open-plan kitchen/living area to the rear - perfect for socialising or relaxing after work. The first floor hosts three further double bedrooms alongside three modern shower rooms conveniently located next to each other - helping to avoid any morning queues. Finally, the second floor offers one spacious and bright bedroom, giving the home a well-balanced and thoughtfully designed layout. If you're looking for a modern, centrally located professional house share with Property Ref: inst-4355

Energy Performance Certificates

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO₂) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.
