The vast kitchen diner leads to a separate utility room and there is also a large downstairs WC. Upstairs there are four fabulously sized bedrooms with the master having its own en suite. Set on a significantly sized and picturesque plot, the property that has already been extended has also been granted planning consent to extend further to the front and to remove one of the trees in order to create additional space. With a total floor space of over 145 square metres.

A further advantage to this one off listing is that it is offered with no onward chain and vacant possession.
